Guest: Mindy Miley, Asst. Vice President, First Year & Bridge Student Services, demonstrated the new CofC Parents and Family Experience – from CampusESP. The new platform offers professional trusted communications with families who opt-in and analytics/comments to CofC members submitting the communications. Families choose communities to belong to such as CRP, First-Gen, Transfers, Campus Housing. Faculty/Staff members can choose from many communities to schedule posts and to repost. SALT as Writers can request Mindy post for them or post for themselves. SALT as Content Admins can also post for other Writers who request. Mindy shared the need for more postings. Once posted, content can be used in future years with dates updated. She’ll provide 1:1 training if requested. Member sign-in: https://cofc.campusesp.com/users/sign_in

Positives and Kudos

College Updates:
- Town Hall today (5:30) for Families/Students: Covid Protocol Policy, Move-in, Sustainability
